~~ Who are the Target Tamers? ~~

**Target Tamers Shooting Group**

The Target Tamers is an All-ladies  
Non-competitive shooting group.

We have members of all ages and abilities.  
We are mothers, grandmothers,  
Retirees and working women.  
We travel, babysit, work and volunteer.

**We shoot at 2nd Knoll Target Range  
in the mornings, on the First and Third Monday's  
of each month.**

After we shoot, those that are available, have lunch  
at a local restaurant.

**Join us!**

Lunch at Persnikkity's  
We take shooting  
seriously, but we also  
take lunch seriously!  
Making new friendships  
and enjoying some 'girl  
time' after our shoots is a  
tradition with our group.  
Join the fun!
